Management's Discussion of Fund Performance

SUMMARY OF RESULTS

Disciplined Value International Fund (Class I/JDVIX) returned 19.42% for the year ended October 31, 2024. The world equity markets produced strong gains in the annual period, with only brief stretches of volatility interrupting what was otherwise a steady upward move. Investors displayed a robust appetite for risk at a time of positive economic growth, healthy corporate earnings, and interest-rate cuts by developed-market central banks.

TOP PERFORMANCE CONTRIBUTORS

Holdings in the financials sector | The British companies NatWest Group PLC and Beazley PLC both made large contributions to absolute performance.

Industrials stocks | Mitsubishi Heavy Industries, Ltd. (Japan), Ryanair Holdings Plc (Ireland), and Siemens AG (Germany) were the top contributors in the sector.

Positioning in materials | The fund's holdings in the Irish building materials company CRH PLC and the Canadian mining company Kinross Gold Corp. were key contributors.

TOP PERFORMANCE DETRACTORS

Few meaningful detractors | At a time of strong returns for the broader market, only a limited number of holdings had a material adverse impact on absolute returns.

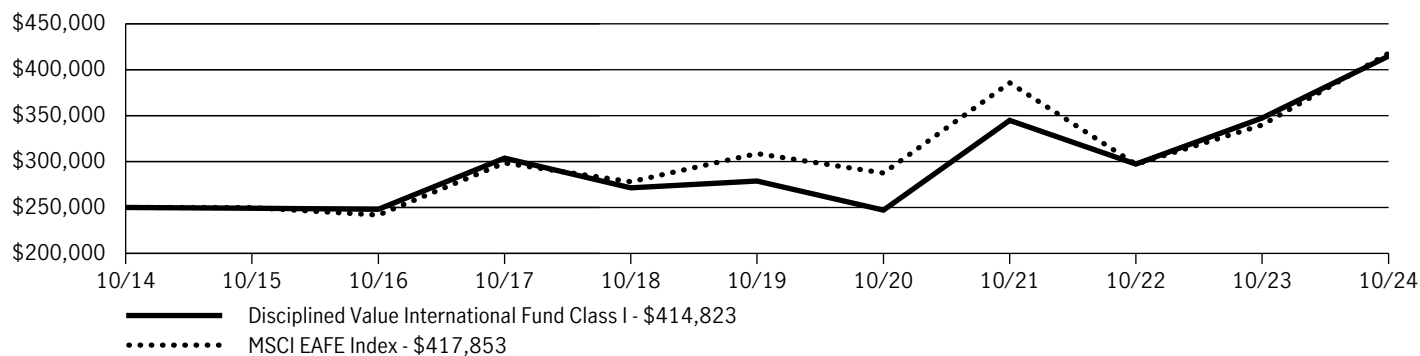

Select holdings in Asia | Several stocks in the Asia-Pacific region—including the Japanese pharmaceutical company Kyowa Kirin Company Ltd., the Korean construction and engineering company Samsung C&T Corp., and the Japanese industrial firm Mitsubishi Chemical Group Corp.—detracted from results.
